## Description:

Where can women turn when they need God's thoughts on the issues and emotions of life? The Bible Promise Book, now in a handsome new gift edition. Barbour's Bible Promise Books are perennial bestsellers, with millions of copies in print. This gift edition for women features scripture in several modern translations, with more than 60 relevant topics—including Adversity, Duty, Friendship, Modesty, Protection, Sincerity, Strength, and Zeal—and nearly 1,000 total verses. Each topic includes a brief introductory comment to put the scriptures into a 21st-century context. Handsomely designed and packaged, The Bible Promise Book for Women makes an ideal gift for any occasion.

The Bible Promise Book for Women is one of the best Bible Promise books I have ever read! I have bought this book in both the hard cover and kindle editions and I absolutely love it. The book is designed beautifully, the scripture verses are very well organized according to relevant topics, and included within each chapter are inspirational quotes by various authors. I've bought several of these books as gifts and each person I have given one to has been delighted with her promise book. Whether you are experiencing a challenging circumstance, need to look up a particular verse, or just need a comforting scripture to share with someone, this book has it all right at your fingertips. And the wonder of it all is that it is such a bargain—it is worth every penny you will spend on it and you will never once regret buying it!
